

Aquaphobia

Tyler Henderson

1

raise volume gradually

2

Rearticulate notes of chords as you please

3

The Calm Before The Storm...

Synth I - The Ocean

Synth II - The Weather

Synth III - The Boat

Synth IV - The Man

*p* 25% volume

Improvise using these notes (B4-B5 specifically); slow and song-like

Some suggested melodies:

Improvise using these notes (specifically F2-B3; slowly moving between notes to create a solid bassline)
